HISTORY OF ASSOCIATION

Association of Cardiologist of Bosnia and Herzegovina was founded in 1995. The Cardiologist Section of Bosnia and Herzegovina within the Yugoslav Cardiologist Association existed from 1961. Association of Cardiologist of Bosnia and Herzegovina has 197 members and 20 working groups. It is member of the European Cardiologist Association and World Heart Organization.

Since it's foundation in 1995, Association of Cardiologist of Bosnia and Herzegovina has managed to establish regular professional events within the scope of it's activities:

1. Congress of Cardiologists of Bosnia and Herzegovina - takes place every 3 years (since 1998).
2. Professional meetings of our Association - 2 times a year (since 1995 has been held 33 meetings with current topics from cardiology).

Out of 197 members of Association of Cardiologists of Bosnia and Herzegovina. More members have received the diploma Fellow of E.S.C. (F.E.S.C) and certificate of European Cardiologist.

Within it's available possibilities, the Cardiologist Association of Bosnia and Herzegovina make great efforts to provide technical improvement of the physicians from the area of cardiology. Due to restricted material means, the association operates on the voluntary basis without paid professionals.

The seat of the Cardiologist Association of Bosnia and Herzegovina is at
